SAVE THE DATE

World Health Summit 2022

When: 16-18 October 2022

Where: Berlin, Germany

Who: The World Health Summit (WHS) and the World Health Organization (WHO) join forces to organize the 2022 edition of one of the world's leading international, inclusive and inter-sectoral global health conference.

Why: The aim of the joint World Health Summit 2022 is to create synergies and combine forces for global health development by engaging all relevant global health leaders and stakeholders from all sectors in all regions of the world. WHS 2022 aims to strengthen exchange, stimulate innovative solutions to health challenges, foster global health as a key political issue and promote the global health debate in the spirit of the UN Sustainable Development Goals: SDG 17 "Partnership for the Goals"

What: Topics to be discussed include:

- Investment for Health and Well-Being
- Climate Change and Planetary Health
- Architecture for Pandemic Preparedness
- Digital Transformation for Health
- Food Systems and Health
- Health Systems Resilience and Equity
- Global Health for Peace
