## MEDIA ADVISORY

## World Health Summit 2022

## Press accreditation now open

The World Health Summit and the World Health Organization (WHO) jointly invite to the world's leading global health conference. This year's Summit will take place from **16-18 October 2022 in Berlin**, Germany, and will bring together the most prominent names in global health from all sectors in all regions of the world: heads of state and government ministers, scientists, and representatives from the private sector as well as civil society.

Patrons are German Federal Chancellor Olaf Scholz, French President Emmanuel Macron, and WHO Director-General Tedros Adhanom Ghebreyesus.

WHS 2022 aims to set the course for a healthier, more equitable future. Central topics include climate change and health, pandemic preparedness, digital transformation, and sustainable health systems.

See more information about the [programme](#) and the confirmed [speakers](#) here.

The World Health Summit is **open to the press**, but places for journalists on-site are limited. **Digital participation** requires no **accreditation**, links will be available shortly before WHS 2022 at [www.worldhealthsummit.org](http://www.worldhealthsummit.org)

**Journalists** can apply for **on-site participation** until Wednesday, October 12 [here](#)
