

World Health Summit Regional Meeting 2022, Italy, Rome

Sapienza University of Rome hosts the World Health Summit Regional Meeting 2022

The World Health Summit Regional Meeting 2022 will take place from June 15-17 in Italy's capital city Rome and online. Sapienza University of Rome is gearing up to host more than 100 speakers and more than 20 sessions in 2.5 days.

Central Topics:

- Vaccine Development and Policies: Challenges and Strategies
- Healthcare Systems
- Metabolic Syndrome and Chronic Diseases
- New Technologies and Personalized Therapies
- New Frontiers in Healthcare Promotion (digital only)

Keynote Speakers include:

- John P.A. Ioannidis, Professor of Medicine, Epidemiology and Population Health, Stanford, USA
- Anna Vassall, Professor of Health Economics, London School of Hygiene & Tropical Medicine, UK
- Joseph Loscalzo, Chair, Department of Medicine, Brigham and Women's Hospital, Harvard Medical School, USA
- Heidi J. Larson, Director, The Vaccine Confidence Project, London School of Hygiene & Tropical Medicine, UK

The Regional Meeting 2022 will bring together stakeholders from every relevant field of healthcare to debate the improvement of global health and the development of scientific solutions to health challenges. Presidents of the Regional Meeting 2022 are Eugenio Gaudio, President of the Roma Sapienza Foundation and Luciano Saso, Vice-Rector for European University Networks at Sapienza.

World Health Summit International President 2022 Eugenio Gaudio: "The tragic period of the Covid pandemic should teach us to face health challenges together. Sapienza is honored and proud to host the World Health Summit Regional Meeting 2022 and to debate about science, innovation, and policies related to global health."

Background:

The **World Health Summit Regional Meeting** takes place every year in different parts of the world in addition to the annual World Health Summit in Berlin and brings regional topics to the forefront. Each Regional Meeting is hosted by the M8 Alliance member holding the World Health Summit International Presidency, which rotates every year.

More: www.worldhealthsummit.org/regional-meeting.html

The **M8 Alliance of Academic Health Centers, Universities and National Academies** is the academic foundation of the World Health Summit. It is a growing network and currently consists of 30 members in 20 countries, including the InterAcademy Partnership (IAP), which represents the national academies of medicine and science in 130 countries.

More: www.worldhealthsummit.org/m8-alliance.html

Sapienza University has been an M8 Alliance member since 2015 and is one of the oldest universities in the world. Sapienza's mission is to catalyze the development of a knowledge society by promoting research, education and international cooperation. The university is very active in the global health field and as an M8 Alliance member has continuously advanced the focus topic of Migrant & Refugee Health.

The **World Health Summit** is the unique international strategic forum for global health. Held annually in Berlin, it brings together stakeholders from politics, science, the private sector, and civil society from around the world to set the agenda for a healthier future by inspiring innovative solutions for better health and well-being for all. This year's World Health Summit will take place from October 16-18 together with World Health Organization (WHO) in Berlin & Digital. WHS 2022 is the first World Health Summit together with WHO and part of a long-term collaboration.
